to say

Read what fellow tea lovers think about our Tea Tasting Club.

“great surprise when it shows up at the door!”

The subscription [...] is great. There’s a huge variety for trying teas to find the ones you like without spending hundreds of dollars. The extra surprises [in the first subscriptions] are nice as well.

• Jay F, British Columbia

“great surprise every season

Oh my! So glad that I made this purchase! The teas [...] are great! The new ones I have enjoyed so far! Can’t wait till my next [package]!”

• B. Cleaveley

“amazing value!”

I was surprised how much came in the [package]. It was nice to get tea that I would not have picked for myself and best part is that I love them. [Subscription] also came a week earlier than the anticipated delivery date so it was the BEST surprise.”

• Sarah45D, Ontario
